

COMMANDER IN CHIEF  
ALLIED FORCES SOUTHERN EUROPE

18 FEB 1977

Dear

STAT

What a great surprise and treat to hear from you.  
I'm most grateful for your words of congratulations.  
For we Navy men there is nothing more rewarding than  
an accolade from old shipmates.

Doubt that I'll have much time for sailing in  
the months ahead but if anything brings me to   
I'll at least hope we can say hello.

STAT

In the meantime, again thanks for remembering me.  
Every good wish.

Yours,

STANSFIELD TURNER  
Admiral, U.S. Navy
